# **Outstanding Teachers**

Outstanding teachers are at the center of student achievement. GCS has more National Board Certified (NBC) teachers - 684 - than 24 states, and we rank 13th of 14,000 school districts in the nation for total number of NBC teachers.

Quality teaching is supported and enhanced in modern school facilities equipped with cutting-edge technology, such as Promethean Boards with Internet

access, Chromebooks, iPads, and computer labs where students connect to resources both within the District and around the world.

Teachers continue to expand their content knowledge and teaching practices. Teachers must earn a minimum of 120 renewal credits every five years through college credit hours, a combination of graduate level classes and renewal credits, or through professional development courses.

### **Student Achievement** (2015-16)

- Our students' average ACT College Entrance Test score of 19.2 outscores the state average of 18.5.
- GCS students outscore the state and nation on the SAT College Entrance Test with an average score of 1483 versus 1446 (SC) and 1453 (nation).
- 3,984 AP Exams scored 3-5 (possible college credit)
- 1,687 Dual Credit Hours earned
- 478 Industry Certifications earned

# **School Offerings**

#### **Child Development Centers**

Four-year-old students with the greatest educational need may enroll in 4K programs at six child development centers and some elementary schools.

#### **Elementary Schools**

Elementary schools serve students in five-year-old kindergarten through fifth grade. In addition to core subject areas, students receive instruction in health, art, music, physical education, and computer use. The Challenge Program serves academically gifted and talented third, fourth and fifth grade students.

#### **Middle Schools**

Sixth through eighth grade students are served in GCS middle schools offering a variety of academic and athletic programs. The middle school curriculum includes core offerings of language arts, social studies, science, and math. Students may also explore special interests such as drama, foreign language, music, and art. Middle school students have the opportunity to take high school courses toward graduation.

#### **High Schools**

High schools serve students in grades 9 through 12. Students must earn 24 units of credit in approved courses to graduate. Our high schools offer a wide range of academic offerings such as Advanced Placement to earn college credit, Honors, foreign languages, arts and humanities, and technology courses. High school students and their parents develop Individual Graduation Plans.

#### **Extracurricular Activities**

Extracurricular offerings feature athletics at middle and high schools, academic clubs and competitions, fine arts such as strings, band and chorus, speech and debate, and various student organizations such as Beta Člub and National Honor Society. Elementary students can participate in after-school activities such as Student Council, robotics, and book, fitness and writing clubs.

#### **School Choice**

Students may attend a school other than their assigned school through a Change in School Assignment Choice Request or by applying to a Magnet Academy. About 15% of our students attend a GCS school on choice.

# **Non-traditional School Programs**

#### **Greenville Early College**

The Group Homes and Residential Treatment Facilities (RTF) program provides educational services to students who reside in state-regulated group homes, residential treatment facilities, and detention centers. The curriculum is based on South Carolina standards where students take online courses as well as classes taught by teachers

Parents may home school through the school district by completing an application and providing a copy of their high school diploma or General Education Diploma (GED) to the Home School

The Lifelong Learning Program (Adult Education) provides academic and pre-employment education and training opportunities for students 17 years of age and older who wish to continue their basic education or improve work-related skills.

#### Satellite Diploma Program

Star Academy is an academic acceleration program for students who have failed one or two grades prior to the eighth grade. Any GCS student may attend. An application and interview process

Virtual School courses are taught online for qualified 7th-12th grade students. The South Carolina Virtual School Program offers online courses for rising 9th-12th graders.

#### The Schools Channel Charter 190 & U-Verse 99

# **Special Focus Schools & Centers**

#### **Career Technology Centers**

Four career technology centers offer a variety of courses that prepare students for postsecondary training or the workforce.

#### **Fine Arts Center**

The FAC provides advanced arts instruction in theatre, dance, visual arts, music, creative writing, architecture, fiber arts, and digital filmmaking.

#### **International Baccalaureate (IB)**

Programs are offered at four high schools located in different geographic areas of the county.

#### **Magnet Academies**

The academic program of each magnet academy gives students an opportunity to explore a special interest, gift, talent, or skill.

#### **Roper Mountain Science Center**

Roper Mountain Science Center offers programs for students in all areas of science that reinforce concepts studied in the classroom

#### **STEM and STEAM**

A.J. Whittenberg Elementary, Fountain Inn Elementary, Hughes Middle Academy, Dr. Phinnize J. Fisher Middle, Rudolph Gordon Elementary, Sevier Middle, and Summit Drive Elementary have implemented a school-wide focus on Science, Technology, Engineering and Mathematics (STEM) or STEAM (STEM plus the Arts) education.

#### **Sterling School (K-8)**

Sterling School serves as an elementary school of choice (4K-5th grade) and is also the home of Charles Townes Gifted Center for gifted students in grades 3 through 8.

# **Special Needs Programs & Centers**

#### **Medical Homebound**

Medical homebound instruction is provided for students who are recovering at home due to illness, accident, or pregnancy.

#### **Special Education**

Options are provided for students with disabilities ranging in age from 3-21. Each student follows an Individual Education Plan (IEP) developed by the school and parents.

#### **Washington Center**

Washington Center serves moderate to severe mentally or physically disabled students ages 3 to 21.

#### West Greenville School

West Greenville is a school for students with behavioral challenges, providing curriculum based on SC standards and intensive social and emotional supports.
